In Special Consultative Status with the Economic  
and Social Council of the United Nations

Thank you Mr. Chair,

With regard to OP 18 in the revised zero draft PRST, we would like to recommend the Secretariat to remove the word “*strongly*” as the Geneva Centre, the International Catholic Migration Commission, the African Centre Against Torture, the International Society for Human Rights and the International Human Rights Association of American Minorities have already indicated their reasons for objecting to the proposal of introducing an advance online reservation for meeting facilities at UNOG.
